background information re the relationship between LAZARUS, PRICE and SALERNO.

Enclosures do not link ALO with other individuals although logical investigation being conducted to ascertain relationship, if any.

Lead #3

Investigation presently being conducted re review of long distance telephone records for phones utilized by RUBY LAZARUS, ELLIOT PRICE, VINCENT ALO and ANTHONY SALERNO in Miami area.

Lead #4

Review of long distance phone calls charged to phones utilized by Multiple Sports News Service (MSNS) (754-0637 and 754-6321) negative to Palm Springs telephone number 325-3478 and 325-6986.

A review of long distance calls made on telephone number subscribed to by FRANK ROSENTHAL reflect no calls to above Palm Springs telephone numbers although there are calls to Reseda, Calif (J K's Sports Journal) on 10/8, 10/9, 10/10 (4), 10/11, 10/13 (2), 10/14/65 (2).

Prior investigation reflected that FRANK ROSENTHAL was known to be in Miami on 10/9, 10/16, 19/19, 10/20/ and 10/21/65.

It is suggested that individuals in Palm Springs during October 1965 did not have to make numerous calls for "line" information to MSNS, Miami, in view of the fact that [redacted] Reseda, Calif., is a subscriber to the line service of MSNS. This working relationship between ROSENTHAL and [redacted] known to ELLIOT PRICE who attended the Palm Springs meeting. b6 b7C

Lead #5

Appropriate sources are currently being contacted to specifically link LAZARUS, PRICE, SALERNO and ZAROWITZ in bookmaking activities.

was able to learn through [redacted] that in early October and during the time of the World Series a group gathered in Palm Springs and held a series of meetings at the above residence and included in this group were the individuals who are reflected in this title.

In January, 1966, this informant learned through [redacted]

b6

b7D

RUBY LAZARUS, a Miami bookmaker, was desirous of enlarging his bookmaking activity. In an effort to do so, he contacted his good friend FAT TONY SALERNO and asked SALERNO to intercede for him to bring about this enlargement. SALERNO contacted ELLIOTT PAUL PRICE of Boston, a large bookmaker and influenced PRICE to take LAZARUS in as a partner and if PRICE would do this, he, SALERNO, would bankroll the operation. RUBY LAZARUS, [redacted] in an effort to look into this matter and RUBY LAZARUS was told that he had to disassociate himself from this group.

Records of the telephone companies, Los Angeles, reflect that during the period this group was in the Palm Springs area calls were made long distance to the residence in Miami of FRANK "LEFTY" ROSENTHAL and to Multiple News Service, which is the sports service operated by ROSENTHAL. Additionally, calls were made to the Sands Hotel, Las Vegas, Nevada and to the Las Vegas office of JERRY ZAROWITZ.

The following investigation was conducted at Palm Springs, California on 2/8,9/66 in an effort to corroborate the above information. This investigation was conducted by SAs [redacted] and JOHN ROBERT BARRON.

Hotel records of the Canyon Club Inn, Palm Springs, California, reflected that one VINCENT ALO of 1248 Monroe Street, Hollywood, Florida, was a guest at this hotel in room 239 between the dates of 10/8 - 18/65. Mr. RUBY LAZARUS with another guest, shared room 235 at this same hotel between the dates of 10/12 - 18/65. The houseboy

consistently utilizing the telephone. He stated he never saw a JIMMY at the house (JIMMY ALO), but heard this group discuss the fact that JIMMY was staying at the Canyon Club Inn. He stated that he could identify photographs of this group.

Records of the Canyon Club Inn disclose that the following calls were made by the room believed to be occupied by RUBY LAZARUS and FAT TONY SALERNO. Calls were made to Miami telephone JE 1-1547 on 10/15, 16, 17/65 and to New York telephone 10/14, 15, 17/65 and additionally on 10/14/65 a call was made to New York LT or ST 1-0570. These same records also showed that from RUBY LAZARUS' room a local call was made to the Palm Springs residence, 325-3278.

Los Angeles files disclose the possibility that [redacted] who joined ELLIOTT PAUL PRICE at the residence is possibly identical to [redacted]

b6
b7C
b7D

Additionally, calls made from the Palm Springs residence were made to Los Angeles to [redacted] Beverly Hills, California, who in the past was known to be a close associate of [redacted] and other hoodlums.

RUBY LAZARUS, from the Canyon Club Inn also called one [redacted] in Los Angeles on 10/17/65.

As all offices are aware, ALO and SALERNO are LCN members belonging to the VITO GENOVESE "family". [redacted] has advised that SALERNO shares in all the financial endeavors of GILBERT LEE BECKLEY and other national gamblers. ALO has been described as being involved in gambling operations likewise.

Los Angeles is considering Federal Grand Jury action concerning this group on ITAR-GAMBLING with strong possibilities of utilizing FCC immunity because of the gambling calls made to well-known Miami gambler FRANK "LEFTY" ROSENTHAL. This possibility is enhanced by the belief that

4. Review known telephones of ROSENTHAL and Multiple News in an effort to possibly locate calls from Miami to Palm Springs numbers [redacted]

5. Set forth identity of any individual in a position to be aware of LAZARUS's connection with PRICE, SALERNO and ZAROWITZ, including any information received to reflect that LAZARUS has had problems with customers he has "stiffed". b6 b7C
